

Carbon Reduction Plan

Our Commitment

Chase Services Group Ltd is committed to achieving Net Zero greenhouse gas emissions by **2045**, ahead of the UK Government’s 2050 target. As a provider of security guarding, key holding, and mobile response services, we are committed to reducing our environmental impact across our fleet, office operations, supply chain, and service delivery.

We are taking active steps to measure, report, and reduce our emissions while embedding sustainability into every part of our business.

Baseline Emissions

Our baseline year is **June 2024 to June 2025**, with a total reported carbon footprint of **86.2 tCO₂e**, based on scope 1, 2, and 3 emissions.

Scope	Total metric tons Emissions (tCO ₂ e)
Scope 1	0.0*
Scope 2	3.9
Scope 3	82.3
Total	86.2

Reporting Year: June 2025 – June 2026

Scope	Total metric tons Emissions (tCO ₂ e)
Scope 1	0.0*
Scope 2	3.7
Scope 3	82.2
Total	85.9

*Fleet emissions are being recalculated and will be updated as part of the revised reporting year.

Our Net Zero Strategy

We are focused on practical, measurable actions to cut emissions:

- **Fleet transition:** Move 50% of our mobile patrol vehicles to electric or hybrid by 2027
- **Energy efficiency:** All offices will use renewable energy by 2026
- **Digital transformation:** Ongoing reduction in paper usage and digital carbon footprint
- **Procurement:** Prioritizing sustainable, ethically sourced uniforms and equipment
- **Staff engagement:** Training, carbon literacy campaigns, and incentives for low-carbon commuting

Targets

- 25% reduction in emissions by 2030 (vs baseline)
- Net Zero by 2045
- Annual reporting and review of progress

Governance

This plan is reviewed and approved by the Chase Services Group Board of Directors, with progress monitored by our internal sustainability team.
