

Environment and Sustainability Policy

Policy Statement

Chase Services Group is committed to protecting the environment and promoting sustainability across all business operations. We aim to prevent pollution, reduce waste, conserve energy and natural resources, and operate responsibly in full compliance with all environmental legislation and client requirements.

Sustainability is central to our long-term success. We strive to integrate sustainable practices into our decision-making, procurement, and service delivery, ensuring continual improvement in our environmental performance.

Aims and Objectives

To achieve these commitments, Chase Services Group will:

- Comply with all relevant environmental and sustainability laws, regulations, and standards.
- Prevent pollution and minimise the environmental impact of our activities.
- Reduce waste and promote recycling, energy efficiency, and responsible resource use.
- Establish measurable sustainability targets and review performance regularly.
- Integrate sustainability principles into operations, planning, and procurement.
- Promote awareness, training, and accountability among all employees and contractors.

Responsibilities

The Company:

- Provide leadership, resources, and competent personnel to implement this policy.
- Monitor and review environmental performance to ensure continuous improvement.
- Communicate sustainability goals and progress to employees, suppliers, and clients.

Employees:

- Follow company procedures to reduce waste, conserve energy, and use eco-friendly materials.
- Report any environmental hazards or non-compliance immediately.
- Support recycling and sustainable initiatives on all sites.

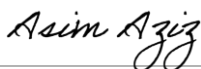

Contractors and Suppliers:

- Comply with environmental laws and Chase Services Group's sustainability requirements.
- Prevent pollution, maintain equipment efficiently, and reduce resource consumption.
- Use environmentally responsible products and recycle wherever possible.

Continual Improvement

We will regularly review and update this policy to ensure ongoing compliance and relevance. Chase Services Group is committed to reducing its environmental footprint and supporting a sustainable future through responsible, measurable, and transparent actions.
